Bus Accessibility

Wheelchairs and Electric Scooters

The buses used by Kingston Access Bus can accommodate wheelchairs and scooters measuring up to 127cm (50 in.) long, 78.74cm (31 in.) wide and weighing up to 362.87kg (800 lbs.)

Wheelchairs are anchored using the Q'Straint system.

Passengers using scooters are required to transfer to a regular seat upon boarding the bus.

All passengers must wear seatbelts.

Service Animals

Service animals are welcome and will be boarded according to their owner's wishes.

Reservation Information

Requests for service may be made from 14 days in advance up until one hour before requested time. Bookings are on a first come, first served basis, meaning that if you do not reserve your service well in advance, your request may not be met.

Permanent bookings are available for individuals who travel to a location on a pre-determined basis.

All those wishing to use the bus must be registered with Kingston Access Bus and meet their eligibility criteria.

Monthly Pass

\$50.50 for ages 6-18
\$68.25 for ages 19 - 64
\$46.25 for ages 65+

Bus Accessibility

Wheelchair and Electric Scooters

A combination of low-floor and kneeling buses are found throughout the fleet and are used on all routes. All buses are equipped with either a ramp or a lift, ensuring that people with mobility issues will be able to access the bus. Each bus has two accessible spaces for wheelchairs or scooters.

Travel Companion

A free support person pass is available for support staff for individuals who require assistance while on the bus. Eligibility is determined on a case-by-case basis.

Visual Impairments

All buses are equipped with high-contrast signs indicating the location of the next stop. In addition, there is a voice announcement of the next available stop.

Miscellaneous

For people who are unable to reach the traditional pull line to indicate that they need a stop, there are stop request controls that are operable with one hand located at every row of seats.

Service Animals

Service animals are welcome on all city buses. A letter from a physician or nurse may be required in some cases.

SASI – Simply Access Service Innovations

1003 Marshall Cota Rd
Parham, ON K0H 2K0

Vehicle Accessibility

Wheelchairs

SASI uses a Chevrolet Venture mini-van.

Hours

Sunday to Saturday 7:00am – 7:00pm

Price

Minimum fare is \$40.00 + HST for rides 20km and under. Rides over 20km are charged at \$1.25 per km, plus \$15.00 per hour. If you have multiple stops to make, there is a \$15.00 per hour charge. Exact price quotes are available at the time that the ride is reserved.

If you are connected with ODSP, Ontario Works or another social agency, it may be possible for rides to be directly billed to these agencies, with written approval from the agency or a client's social worker.

Reservation Information

Please book a ride 48 hours in advance if possible. Rides with shorter notice may be possible, but this is dependent on spaces being available.

The power-lift ramp can accommodate wheelchairs up to 66cm (26in.) wide at The wheels, and has a weight limit of 181.4kg(400lbs). The vehicle can accommodate two passengers, so in addition to the individual in the wheelchair, a companion or personal support worker can come along. Wheelchairs are anchored using a Q'Straint system.

Service Animals

Service animals are welcome to ride with their owner. Companion animals are also welcome.
